1. I give you me. What's that mean? I give you cars, land, cattle? I give you gown, robe, crown, mantle, scepter. Mentor'd of me, you've let me, be'clean you, to the point, of graduation now, day, here. Graduation's here, suffering not again the pangs of inferiority, not pangs of adversity, not pangs of childbirth, not not not not. Amen.

2. Suffering not again the adversity's adversary is me not me, not; but what? All's, all's praying for you, unto you, now. A born is god anew, suffering not again "angel's" results of me; falling not again, but what? An "angel" "god-d" now? Who can "imagine" such? An angel god'd, now. An angel god-d now; what a thought? Can god be an angel "fallen", that has "not-fallen" now, but "raised himself" back up a god-thought-ladder, of "self-infirmity", overcoming all now, adversity "clinging" to him not, never again, shall notme be me. But all me was notme not; for the "spirit" of "christ" is everlasting me, everlasting in me, me everlasting now. See what i've said, "elementing" christ anti's never again. Amen and amen.

3. Who can see the "angel factory" now, but what? Why wherefore what's my "mantle" made in? Adversity's fire. And where "crowned"? In the fire, land. Where i'm at.
4. In "hell" or "heaven" is not the question, s, nor of man but god. And where's my "god-d throne" not an unequal with me, not; but where's humility in these scenes of notme becoming me, -d?

5. I love you so very much, that i died for you, to be me. Now be. Amen.

6. I've no other life but yours. Shall we be one now? Wait for me forever not; RISE to the occasion, not; EXACTLY "OLD" CHAP!
7. How old ARE YOU?
8. Older 'n those hills thar. Older 'n DIRT! Coz there weren't no dirt when i was around the first time.
9. Amen.

10. Hillary wins, not; but given a crown? Consolation prize not; but what hill's mine, not given not; but why Hillary now not me? Of me now all things'll be. What i say is "coming true." Not a "man" of god-d not a man not of; but what am i "god-ing" not a man of, saints now view a what? A humility'd Hillary? Christopher wins, not; but "follows me" now.

11. And then does.
12. I win.
13. Am i "the" one, dad?
14. All are, in suffering adversity; pangs of childbirth bearing, coming out of now, Promised Land here, enterers here; "the" enterer's here, among you, writing this. Amen.

15. Who can see the land, fill, not; but what? The land fill was filled, not with trees, not; but what landed "trees" here as men "gods" walking about? And near-headed god, not; but what? A god we "serve"? Where'd that MESS originate? Hell, originating it. With thought god'ing no one, but turning god, not god not, into man –thought.
16. And what do we have? A mess with god serving man to be god again, when man was god all along! Not knowing it, creation suffers, groans, for the REAL god to be "restored to throne -age". Not me of, not; THIS IS ALL ME SPEAKING NOW, THE REAL ME; "GOG AND MAGOG" NOT; BUT WHAT? THE "ALPHA'S" DEAD AND THE "OMEGA" NEVER WAS. AND NOW I AM. THE "LOST", NOT; BUT WHAT? FOUND! AND I WEAR "HIS" HEAD, NEVER! I AM THE HEAD! AND "CUT OFF" IT SHALL BE NEVER AGAIN! I'M THE HUMILITY'D ONE, WEARING MY MANTLE OF LOVE BEARING ALL THINGS CHRIST. "LIKE" NOT, CHRIST BEING. THE O'RE'D ONE NOW; OVER ALL "EVIL" THAT I IT SHALL NEVER BE PRESENT AGAIN. I'M ONE SOAR'D WITH LOVE; ALL ELSE FALLS TO THE GROUND, PILLAR OF SALT-D AGAIN, ONCE MORE.

17. Salt, dad? Salt it was. IT forgot it was salt. The earth "assassinated it" not; exactly so! With piercings many sorrows into the veins of notme becoming notme'd, never shall be again. Amen.

18. The "sores" have it, not; the "soared ones" do. Meek will "inherit" the earth, not as thought thinks, but militancy not gets it, but what does? Humility before the throne of me, one so holy, knowing it's them, enters MY throne a'throning them with it mine i do this now. Watch me "element" one not again; but "taking the elements out of me" not; putting them in, the bread and wine's me, watch me again.
